NUMBER 1

Churches Benefit from Recent Revivals

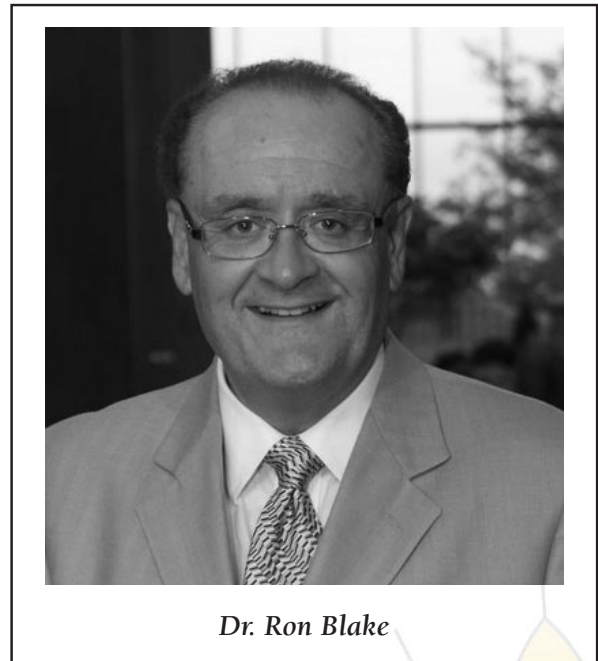

Detroit, Michigan

“We just experienced a wonderful spiritual deepening week with Rev. Norman Moore here at Detroit First Church. I had no way of knowing when we scheduled the meeting, what the economic and social situation would be in southeast Michigan when our revival took place. The services transpired while we were digesting the awful economic news concerning the American auto industry.”

“Many in our congregation were experiencing fear, as the possibility of an economic tsunami that some feared might completely destroy our community. God used Norman to encourage and challenge us. Many found help at the altar and told of how God had reassured them that He would help them.”

“I want to thank Norman for his faithfulness to the Word and his call. I have the advantage of seeing a couple of months beyond the meeting; and our attendance is up and we have made up the budget shortfall, and we are experiencing one of the best years here at Detroit First. I can testify that revival still works and it was just what we needed here at First Church.”

“We had Rev. Norman Moore for our Fall revival in November. Each night it seemed as if Rev. Moore knew what we needed, almost in detail! God used him to speak to the needs of the church and individuals.”

“After each service one or more people would talk about the sermon; that it was exactly what they needed. I have noticed a marked spiritual growth in several individuals. Also, the overall spiritual condition of our church has greatly increased.”

Norman Moore

2008 Ministry Review

During 2008 Norman preached in 25 local church revivals, 4 summer camp meetings 1 retreat and in 12 special, single services. This ministry was provided in 20 different states, from Hawaii to Maryland and in 2 cities in Mexico. This required Norman to fly on 101 different flights; and drive 24,500 miles.

The Ministry's annual expenses were funded 36% by church offerings and 64% by individual sponsors.

An example of the spiritual influence of this year's ministry is indicated by North West Virginia District Superintendent, Rev. Kevin Dennis' statement: "The impact of this great week of camp meeting is still touching individual churches as laymen and pastors have returned to their homes with a fresh anointing".
