Summer Camp Meeting Results in Victories for Pastors & Laity

The annual South Carolina District Camp Meeting was held June 14-21 near Columbia. The fifteen services during the 8 days were preached by both Dr. Harold Graves, Jr., (President of Nazarene Bible College in Colorado Springs), and Norman.

District Superintendent, Dr. Eddie Estep, reports: *"This year's Camp Meeting was marked by joy, a sweet sense of God's presence and a strong sense of community. We were well fed spiritually through Rev. Moore's messages. They were biblical, relevant and delightfully seasoned with humor. Many people, (pastors and laity), found victory at the altar. We have already scheduled Rev. Moore to return in 2012."*

New Discoveries in Iowa Revival

Pastor Richard Blodget remarks:

"In our recent revival with Norman at Council Bluffs Emanuel Church our people were made more aware of God's work in their lives in discovering His Will. We had people become more grounded spiritually."

"People Responded Well" in Maryland Church Revival

Norman returned for his second revival at the Cross-Pointe Church of the Nazarene in Salisbury, Maryland. Pastor Ron Parker has written: *"We're thankful for Norman's ministry at Cross Point during our Spring Revival! The Lord wonderfully blessed our services and Norman's preaching of the Word of God. Our people responded well to the messages and the moving of the Holy Spirit. It was a wonderful week of renewal!"*

"I have presented the matter of scheduling a future meeting with him to our church board, and received a unanimous response to invite Norman back for May 2012."

Ministry Sponsors Provide Strong Support

Since we began thirty years ago, (in 1979) this Ministry has been supported by free-will church offerings and the voluntary sponsorship of Ministry *Partners*. Norman has never once required any financial minimum from where he preaches.

This has resulted in churches providing about 40% and Ministry sponsors providing about 60% of the annual expenses, represented in the Budget set by the Board of Directors.

This year many churches have experienced a negative impact financially, resulting from the nation's declined economy. These influences have gravitated to our Ministry.

Nevertheless, our trust and hope are in God; and we are proceeding by faith. Our sincere **thank you** is extended to each friend who helps sponsor this Work. Together, we're making a difference!
