## *Prospective Multicultural Evangelists Trained in Kansas City*

Norman was invited to teach a 3½ hour seminar titled Priorities for Effective Itinerant Evangelism at the King's Conference Center at Nazarene Headquarters in Kansas City, Missouri, held March 19th.

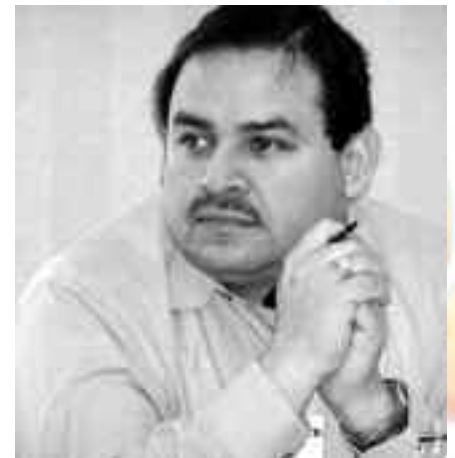

Dr. Oliver Phillips, the Director of Mission Strategy USA and Canada for the Church of the Nazarene, reports: "Renowned evangelist Norman Moore recently conducted a seminar in Kansas City for multicultural leaders who aspire to be registered evangelists with particular ministry to their people group.

Recognizing the increasing presence of immigrant congregations in the Church of the Nazarene and

the attendant opportunities for specific focus ministries, the retreat was intended to inform the participants of the denomination's commitment to foster inclusion and diversity. The attendees expressed gratitude for the prospect of professionally honing their skills and responding to their call to itinerant evangelism.

## Church Revivals Result in New Victories

### HANNIBAL, MISSOURI

"The good news is what God has been doing in the weeks following the revival. A young man, Jason, had been away from the church for several years. The Sunday morning following the revival he spontaneously stood following a special song and shared that he had recommitted himself to the Lord and his church. He has been in all our services since."

"A young lady, Becky, was at the altar on Wednesday night. Being so shy, she is not one to speak publicly. On the second Sunday morning after the revival she spontaneously stood to thank God for His work in her life and that, after years of resisting God, He had "fully saved" her. She has since spoken publicly about what God is doing in her life in our Wednesday evening service. So, as you can see, God is at work."

—Pastor Mark Burkey, First Church of the Nazarene, Hannibal, Missouri

### DENTON, MARYLAND

"I believe there still is a place for regularly scheduled revival services in the local church. The energy, finances and time required to plan and hold these services is

worthwhile, especially when there are evangelists like Norman Moore still faithful in answering God's call upon their lives. The people in our congregation were refreshed and revived through Norman's Spirit-inspired preaching ministry."

"Norman has been my friend and encourager for more than 25 years. I have had him conduct revivals in four different churches and have always been confident that God would speak clearly and powerfully through his preaching and teaching ministry."

"Our recent Spring Revival at Denton Nazarene was another evidence of how God beautifully works through Norman's straight-forward and passionate exposition of God's Word. The people at Denton Nazarene were definitely strengthened in their walk with Jesus and in their devotion to serve Christ, through Norman's relevant and practical preaching. Spring revival this year made a lasting impact upon our people and we look forward to being instructed and blessed by Norman's ministry in the near future."

—Pastor Harold Parry, Denton Church of the Nazarene, Denton, Maryland
