NOVEMBER/DECEMBER 2004

NUMBER 6

Rev. Dave McGarrah

Salem First Church of the Nazarene Benefits from Fall Revival

“This is a wonderful opportunity for us to tell you about Norman Moore’s ministry. One of the best things that we did this year was to

have Norman come to

our church and help us make some significant spiritual headway. This is a major part of our year because it specifically spotlights the need for a “spiritual tune-up”.

“From the beginning service on Sunday morning, until the closing service on Wednesday evening, there was great response to Norman. His mixture of warmth, humor, and insightful presentations of scripture combined to touch people’s hearts. We were blessed with fruitful altars in every service.”

“Salem First Church has a rich history of great preachers of the Word. Norman was used by God to continue the heritage. We thank the Lord for the ministry of Norman Moore.”—*Pastor Dave McGarrah, First Church of the Nazarene, Salem, OR.*

Churches Experience Spiritual Growth & Maturity in Fall Revivals

San Luis Obispo, California: “We recently had evangelist Norman Moore at our church. His messages were biblically rooted and presented in a way that captivated the attention of my people. People received help at the altar every night. What really impressed me about Norman Moore was his humble spirit and willingness to engage my people throughout the week during lunches and coffee breaks.”

The theme of our crusade was “Fall Footsteps Crusade”. It centered on I Peter 2:21 where we are encouraged to follow in the footsteps of Jesus Christ. Norman Moore set the example of one whose supreme desire is to follow in the footsteps of Jesus. His messages were lived out in his daily walk.

He was an encouragement to me and my people.”
Pastor Rick Eastman, Church of the Nazarene, San Luis Obispo, CA

Murrieta, California: “Gateway Church of the Nazarene was truly blessed to have Evangelist Norman Moore for a spiritual retreat weekend. His unique delivery and anointed messages touched and challenged everyone toward spiritual maturity. It is always encouraging to hear the Word of God given with such clarity, simplicity and effectiveness. With love and compassion, Norman has for 25 years demonstrated his commitment to God, the Word and His Church.” *Dr. Roger Bowman, J.O.Y. Ministries, Pastor, Gateway Church of the Nazarene, Murrieta, CA*

Celebrating 25 years of itinerant evangelistic preaching ministry!

Rev. Blaine Strauser

“It was at an Easter Sunrise Service in 1970 in Southern California that a young man preached a message of the Risen Lord. I said to my wife, Doris, ‘That young man will be a great preacher some day.’ I invited him to join me where I was pastoring and had the benefit of his talent for two years.”

Rev. Blaine Strauser

“Norman has come a long way from those days. I have watched at times, and prayed for him throughout his many years of ministry. An

Reflects on Ministry

evangelist’s life is not a easy one. He has continued to be true to his commitment.”

“He is fortunate to have Vickie for a teammate, who cares for many details while he is away from home, preaching in our universities, camp meetings and churches, both large and small. We have

remained close friends, (the four of us), through the years. I am privileged and honored to have a small part in this great Ministry.”—*Rev. Blaine Strauser, Board of Directors, Norman Moore Ministries*
