Summer Camp Meetings Help Change Lives!

Rev. Norman Moore, Rev. Marvin Jones & Rev. Richard Sickels

MINNESOTA

“What a privilege for the Minnesota District Family Camp to have as our preaching evangelist Rev. Norman Moore. There was a strong number of people who commented about the clear and concise preaching, and Rev. Moore’s ability to communicate and bring usable definition to the Scriptures.”

“Prayer times were blessed by the power and presence of our Lord. Many people taking opportunity of prayer time at the altar received help in deepening their commitment, renewing their commitment and gaining understanding of their walk with Christ. Some gave their heart and life to Christ in accepting Him as savior.”

“The worshipful music of Rev. Marvin Jones certainly set the atmosphere for the dynamic preaching of Rev. Moore. We look forward to our next time together.”

NEW MEXICO

“Since 1939, the first week of August has been a highlight in the summer calendar for the New Mexico District. Families from all over the Southwest converge at Bonita Park nestled against Lincoln National Forest, near Ruidoso, New Mexico. They come to Family Camp anticipating vacation, reunion and revival. They were not disappointed.”

“This year was especially blessed with Rev. Norman Moore, teaming with other dynamic workers (Rev. Mike Adams, and Bob & Becky Gray), as we experienced the refreshing flow of God’s Spirit in powerful anointing upon the services. Norman’s messages ministered at a profound level to the demands and complexities of daily life. His preaching of the Word helped lift the load and encouraged all of us in our pursuit of a holy life. We anticipate having Norman return a fourth time to Family Camp.”

Working Together in the Harvest

Jesus' command: *"Therefore go and make disciples of all nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit, and teaching them to obey everything I have commanded you, (Matthew 28:19-20),* has been our objective since we began in 1979. It is being fulfilled through our ongoing itinerant evangelistic preaching ministry in local church revivals, area crusades, camp meetings and retreats.

This endeavor is financed by the free-will offerings of churches and the voluntary sponsorship of *Ministry Partners*, who extend their influence for the Gospel through their participation.

Our sincere appreciation goes to each friend working together in the Harvest by your prayer and financial support.
