West Virginia Districts Benefit from Camp Meeting

Rev. Gary Bond, Dr. Lenny Wischart & Norman

During August 10-17 the annual Sunday through Sunday camp meeting was held at Summersville, West Virginia. The services were very well attended and resulted in many people discovering new spiritual help.

“Camp meeting is always a highlight of our year in West Virginia and 2008 was no exception. Churches from the North and South Districts gathered in Summersville for a week of spiritual renewal. We were delighted to have Rev. Norman Moore as one of our evangelists. His exceptional use of everyday life experiences brought spiritual principles into clarity. The impact of this great week of camp meeting is still touching individual churches as laymen and pastors have returned to their homes with a fresh anointing.”

New Church in Mexico Continues to Progress

The Baja Christian Church in Rosarito Beach held its first service on Palm Sunday, March 16th, where Norman had been invited to preach. The church-planting Pastor, Rev. Gary Tucker, has provided excellent leadership; providing mid-week Bible studies and Sunday worship. Since their beginning Norman has preached in six services.

Rev. Steve Baker

“Norman Moore brought all the elements together: key lay persons Larry and Pat Kietzke, Rev. Gary Tucker and myself, to create the formation of our new Baja Christian Church in Rosarito Beach, Mexico. He continues to allocate time to preach there and encourage the young church.”

Ministry Partners Are Blessed as Sponsors

“We are partners with Norman Moore Ministries because the Lord put it on our hearts. Norman’s preaching spoke to us. It is a blessing to know that we can be a part by praying and giving. We wanted to be used by God; and this is a way we can make a difference.” **Jerry and Phyllis, Cincinnati, Ohio**

“I believe in Norman’s teaching. He speaks it straight. He goes to any size church with no financial guarantee. What he is doing, works!” **Roger and Linda, Boise, Idaho**

“We want to be a part of Norman’s Ministry because we believe in what he’s doing. People are saved and sanctified and pastors are helped. Norman and Vickie are an inspiration.” **Harold and Charlotte, La Mirada, California**

“Norman is doing the Lord’s Work. We can be a part of it by prayer and finance. I have a burden for his Ministry. When I pray and give I know I’m doing something for the Lord to help His Work. It’s rewarding!” **Anna, Pittsgrove, New Jersey**

The following facts are informative:

- A majority of churches have less than 100 in Sunday morning attendance.
- Many churches are struggling financially.
- Air travel and car expense, among other costs, have significantly increased.
- The free-will church offerings only fund 40% of the annual expenses.
- Ministry Partners are needed for prayer support and financial sponsorship.
