## Productive Revivals Help California, Arizona and Oklahoma Churches

“On the third day of our Revival an entire family came to the Lord. The son of the family suffered a gunshot in the head the previous month and God is doing a great healing in him. The father of the family had been in jail and was released on the third day of our Revival and was invited to our Sunday night Revival service. God touched his heart, his wife’s heart and his son’s heart. They came to the altar and received Jesus Christ as Savior; and have been coming since that day to our church services. It was a great blessing! Thank you, Dr. Moore.”

Rev. Sergio and Rev. Rosa Estrada  
Hispanic Nazarene Church  
El Centro, California

“It was a blessing to have Dr. Norman Moore with us during the weekend leading up to Thanksgiving! On Friday evening 8 people went to the altar to do business with God and give more of themselves to the work of the Holy Spirit. Each of these people has experienced growth in their lives since that night. On Sunday morning many gathered for prayer for physical, mental, emotional and spiritual healing. Since that Sunday several have experienced a deeper walk with God and a peace of heart and mind that they had not previously known. Our entire church Family was blessed too and encouraged through the ministry of the Holy Spirit poured through Rev. Moore; and we are grateful for his ongoing ministry.”

Rev. Curt Lunsford, Lead Pastor  
New Life Community Church of the Nazarene  
Tucson, Arizona

“I invited Norman Moore to come and help me with a Revival because he has support to help small churches like mine that can’t afford it. The Revival gave our people hope and possibility of the future and drive to invite those that they come in contact with. This gave us the possibility of the next phase in our church’s outreach to the lost.”

“Norman Moore is a gift to the Southern California District. He has gone into more than 13 churches in the past four months to bring encouragement and hope in an uncertain situation. The best part is every time Dr. Moore goes to a church people are at the altars. Lives are being changed through his ministry! Norman Moore is a godsend.”

## Christmas Night Ministry at Long Beach Rescue Mission

The Moore's daughter, Nickie Fox, is a leader in the Outreach Ministry at Light and Life Church in Long Beach. Christmas night, Norman and Vickie, along with Nickie, her husband John, daughter, Kennedy, her husband, Alex and the several volunteers from their church served the evening meal to the residents and others from the neighborhood.

After the meal Norman preached and evangelistic Christmas message in the following chapel service. A highlight of the evening was three men responded to the Holy Spirit and came forward for prayer during the invitation, after Norman's message.
