

# HARVEST TIMES

*"I tell you, open your eyes and look at the fields! They are ripe for harvest." John 4:35*

## Lincoln City, Oregon Church Finds New Life

"What a blessing to have Dr. Norman Moore with us for 5 Revival services. We had a number of people respond to the altar calls who have never responded before. Dr. Moore's no-pressure approach made it clear that people were truly responding to the Holy Spirit's work in their lives."

"One of the most valuable parts of the Revival was Dr. Moore's fresh set of eyes on the church and the time he spent speaking into my life as the Pastor. His years of experience gave wisdom and insight that helped clarify my steps forward."

"We continue to see the ongoing, sanctifying work of God in many people who responded. This was a catalyst for growth in many lives. I highly recommend Dr. Moore."

## The Colorado District and Crossing Church Benefit

"We had Norman for our Nazarene Discipleship International Training Day; and he was outstanding teaching the Colorado District how to simply and effectively communicate the Good News of the Gospel for life change!"

"It was great to also have Norman Moore at Crossings Church for Sunday morning services. He was incredibly effective with his unique story telling ability and practical application of God's Word to everyday life. Lives were touched and changed by the power of the Holy Spirit; it was a great day."

## Progress Gained in Seminary and MidAmerica Nazarene University Classes

On October 10th Norman was invited to teach the Evangelism Class where Dr. David Sharpes is Professor at Nazarene Theological Seminary in Kansas City, Missouri. On October 12 Norman met Dr. Dean Blevins, Dr. David Sharpes at the Seminary with Nazarene Revivalism Coordinator, Dr. Ken Dove, for discussions of creative training options for Evangelists.

On October 13 Norman taught the Introduction to Ministry Class at Mid America Nazarene University in Olathe, Kansas, where Dr. Ron Jackson is Professor.

There was noticeable advantage gained through these efforts of training, dialogue, motivation and encouragement.
